RUSHVILLE TO RECEIVE WATER UPGRADES

Rushville, Neb., May 25, 2007—The United States Department of Agriculture (USDA) Rural Development has approved a \$1,331,000 loan and \$284,000 grant for the City of Rushville, Neb. The Rural Development funds will be used to drill a new well that will serve the rural community of nearly 1,000.

A well will be drilled south of the community and a water transmission line constructed to connect to the city system. Other improvements slated include upgrades to the water storage tank, improvements to the distribution system and replacement of the irrigation well used on the city grounds.

“I look forward to working with the City on their water improvement project that will enable the City to continue providing safe drinking water to the residents,” stated Roberta Mues, community programs specialist, USDA Rural Development.

USDA Rural Development funding provided via its’ Water and Waste Disposal Loan & Grant program. Loan terms are 40 years at 4.125 percent interest.
